Dear Sir:

Yours of 19th Inst relative to the pension of Mrs Cynthia Hawley received.

You say the evidence on file is not sufficient to establish the marriage of the claimant to the soldier prior to the treaty of Peace Feb 17th 1815.

I would state that a regular authenticated Certificate of such marriage was forwarded last fall to Messrs Gilmore & Co Counsel of your City but I have never after several letters since to them been able to hear anything from them. Don't know the reason. They have I presume said Certificate which you can obtain from them which I hope you will get. If any additional evidence is required please inform^{me} what it is and I will if to be had procure and forward the same. Hoping to hear from you again soon and that you will do all parties the kindness to give the matter all necessary attention

SEC. 4. That section 4786 of the Revised Statutes is hereby amended so as to read as follows:

"SEC. 4786. The agent or attorney of record in the prosecution of the case may cause to be filed with the Commissioner of Pensions duplicate articles of agreement without additional cost to the claimant, setting forth the fee agreed upon by the parties, which agreement shall be executed in the presence of and certified by some officer competent to administer oaths. In all cases where application is made for pension or bounty land, and no agreement is filed with the Commissioner as herein provided, the fee shall be \$10 and no more. And such articles of agreement as may hereafter be filed with the Commissioner of Pensions are not authorized, nor will they be recognized except in claims for original pensions, claims for increase of pension on account of new disability, in claims for restoration where a pensioner's name has been or may hereafter be dropped from the pension-rolls on testimony taken by a special examiner, showing that the disability or cause of death, on account of which the pension was allowed, did not originate in the line of duty, and in cases of dependent relatives whose names have been or may hereafter be dropped from the rolls on like testimony, upon the ground of non-dependence, and in such other cases of difficulty and trouble as the Commissioner of Pensions may see fit to recognize them: Provided, That no greater fee than \$10 shall be demanded, received, or allowed in any claim for pension or bounty land granted by special act of Congress, nor in any claim for increase of pension on account of the increase of the disability for which the pension had been allowed: And provided further, That no fee shall be demanded, received, or allowed in any claim for arrears of pension or arrears of increase of pension allowed by any act of Congress passed subsequent to the date of the allowance of the original claims in which such arrears of pension or of increase of pension may be allowed."

And if in the adjudication of any claim for pension in which such articles of agreement have been or may hereafter be filed it shall appear that the claimant had, prior to the execution thereof, paid to the attorney any sum for his services in such claim, and the amount so paid is not stipulated therein, then every such claim shall be adjudicated in the same manner as though no articles of agreement had been filed, deducting from the fee of \$10 allowed by law such sum as claimant shall show that he has paid to his said attorney.

Any agent or attorney or other person instrumental in prosecuting any claim for pension or bounty land who shall directly or indirectly contract for, demand or receive or retain any greater compensation for his services or instrumentality in prosecuting a claim for pension or bounty land than is herein provided, or for payment thereof at any other time or in any other manner than is herein provided, or who shall wrongfully withhold from a pensioner or claimant the whole or any part of the pension or claim allowed and due such pensioner or claimant, or the land-warrant issued to any such claimant shall be deemed guilty of a misdemeanor, and upon conviction thereof shall for every such offense be fined not exceeding \$500, or imprisoned at hard labor not exceeding two years, or both, in the discretion of the court.

Sir:

In the claim of *Cynthia, widow of Thomas Hursey*
for a *pension* under act of *March 9, 1878*, No. *22919*
proof of her marriage to the soldier is required. You are informed that proof upon
this point is of value in the following order:

1. A certified copy of the town, county, or other public record, or the sworn
copy of a church record.

2. An affidavit of the officiating clergyman or magistrate.

3. The testimony of two or more eye-witnesses of the ceremony.

4. Affidavits of children whose ages would show the date of marriage or
commencement of cohabitation.

5. A copy of family record, sworn to by custodian, certified by the magistrate
to be correct, and that the original appears to be genuine. When this class of evi-
dence is furnished it must be shown by whom and when the record was made, and
the date of the Bible, or other book, in which the record is made, must be given, and
it should be corroborated by other evidence of at least as high order as the 6th class.

6. The testimony of two or more witnesses who know the parties to have lived
together as husband and wife from the date of their alleged marriage, the witnesses
stating the period during which they knew them thus to cohabit.

Witnesses under the 2d, 3d, 4th, and 6th classes of testimony must state the
circumstances or contemporaneous events by which they are enabled to fix the date of
the marriage, and the witnesses should state their ages at the time they testify.

Before any of the lower classes of evidence can be accepted, it must be shown
by competent testimony that none higher can be obtained.

If the claim is for service pension under the act of February 14, 1871,
marriage must be proved at a date prior to February 17, 1815.

If the claim is for service pension under either the act of February 14, 1871,
or March 9, 1878, proof will be required to show whether the claimant has again
married since the death of the soldier on whose services the claim is made.

The fact and date of death of soldier must be proved.

The credibility of all witnesses must be certified to by the magistrate before whom their testimony is executed,
and the magistrate and all witnesses must state whether they have any interest in the claim.

If the claim is for Bounty Land, widowhood at the time of making the appli-
cation must be proved.
