### Welcome to This Forum

I know there are several people who are researching this Harvey family. I set up this forum as a tool to help us collaborate on our research.

As of the date this forum was created, my primary goal is to prove who Lucy Harvey's parents were. My motivation for working on this is the recent Y-DNA data for a descendant of William C. Harvey and Roxanna Bridges and the possibility that William C. Harvey and Lucy were siblings.

This forum is open to the public to read. To post, you must sign up to be a registered user (which is free, of course).
